BEDTIME STORY AND FILM NIGHT

Previous film nights have been a real success and this time we have decided to change it up a bit.

We will be putting on a bedtime story evening for years R, 1 and 2. We would like to welcome any family members who would be willing to read a story. Also if you know any local authors who would like to come and read their book please let Mrs. Wallin know!

Years 3, 4, 5 and 6 will have a movie night running at the same time in the hall.

More details to follow soon!

We are always looking for volunteers for any events, even if you are available to make drinks, serve cakes or help clear up, it’s all

Second hand uniform for sale in school, email the PTFA and let us know what you are after and we can let you know if we have what you need!
