Kit List

One of the main reasons for going offsite is so that we can spend as much time outside as possible. So warm, dry clothing will be essential. But please, do not buy anything new. Old, well worn clothing is best.

You will need:

Your favourite teddy/cuddly toy*

Towel (for showers)

Washing kit

One change of clothing for outdoor activities (will get scuffed and grubby)

Pyjamas (nightwear), underwear and socks

Waterproof coat

Shoes for outdoor use

A good hat - for rain or sun!

Black bin liners (for wet/ dirty clothes)

* Mr Evans will be taking his own teddy, so don't forget yours!

Please pack in as small a bag as possible. Holdalls/rucksacks or small suitcases will be fine.

Don't buy anything new.

Don't pack anything valuable.

Remember - We are only 35 minutes away.

You do not need to wear school uniform.

You do not need any money, just a packed lunch to take on Monday morning, in a separate bag.
