## Ofsted Inspection

By now, most people will have heard of the 'Good' judgment we received for our Ofsted inspection. In case for some reason you have not seen the report or Mr Brearey's cover letter, they are both now available on the school website.

## PTFA Tuckshop

Just to remind you that the PTFA very kindly run a tuck shop during Thursday morning break times for any child in Classes 3 and 4 who brings in 20p. Each week there is a different item on sale, such as buttered English muffins, mini pancakes, toast and so on.

## School Grounds Tidy Up Morning

Every now and again we run a weekend 'Tidy up morning' when we invite as many parents, carers, grandparents (and anyone else who fancies it) to come to school to help do a bit of essential outdoor cleaning, tidying and general sprucing up. This is invaluable in helping our small school. So, please make note in your diary to come along and help us on the morning of Saturday 12<sup>th</sup> November.

This time there will be a real emphasis on cutting back shrubs around the classroom areas and getting the Class 1/2 area looking clean and cared for. The more the merrier and the quicker and easier it is. Coffee, tea, juice and biscuits provided.

## Collecting Children

Please may we remind parents and carers that the normal time for picking children up is 3:15pm. Particularly on days when class teachers are running after school clubs, late collection can cause problems. We would appreciate your cooperation in this matter, thank you.

## Nits and Head Lice

We have included a nit and head lice detection and treatment leaflet with this newsletter. Head lice live on any hair including clean hair. Please read the leaflet and take action as necessary. The leaflet gives advice on both chemical and non-chemical methods of treating infestations.

## Texts to Parents/Carers

We are aware that not all parents/carers are receiving a text when issued by the school. This is an IT technical problem that we are hoping will be resolved soon.

## Lunch and Trip Forms

Please ensure any outstanding forms for lunch orders and trip letters (including KS2 Panto) are returned to school by Monday.

**And finally, thank you for all the donations sent in with children for our Harvest Service today. The Ross Community Larder are very appreciative for all that is received.**
