World Book Day & Parents' Celebration Assembly

This year's World Book Day Celebration will take place in our school on Friday 3rd March (to avoid an unavoidable timetable clash). Our theme this year will be 'Bedtime Stories'. Children are invited to come to school either dressed in nightwear or as a favourite story character – the choice is theirs!

We will be celebrating the day with an afternoon assembly to which parents and carers are more than welcome to join us.

Outdoor Area Update

Unfortunately, work on the garden area between the classroom and playground has had to be postponed. Despite the generous sponsorship from Ross Garden Store (who will be supplying a significant number of plants, design and landscaping advice as well as some manpower) we do not yet have funds to re-fence the area with a lower wooden fence and to buy materials to build some revetments and raise soil levels in certain areas. We are only likely to achieve these aims if we can find some form of sponsorship from local businesses. **If anyone has any ideas** of how we might raise the necessary funds, **please do get in touch**. If we can make this happen, it will really enhance our classroom and playground environment as well as providing some great outdoor learning opportunities for our pupils.

Parent/Teacher Consultations and Reports

On Wednesday a letter went out regarding parent/teacher consultation meetings and annual reports. Please make sure that you complete the booking slips as soon as possible to ensure that convenient times can be arranged. Teachers will liaise to ensure that timings of meetings where siblings are in different classes are as well coordinated as possible.

Nits and Head Lice

We are aware that head lice and nits have been reported to us by parents/carers who have found them in the hair of their children. Please could all parents/carers thoroughly check their own children's heads and take necessary action to eliminate them. It does help if long hair is tied up/back as a matter of course.
